

OF602X freestanding cooker

ID040607
code OF602X

60cm electric multifunction, fan forced oven with grill and four/five/six zone high-speed ceramic hob

warranty
two years
parts & labour

DIMENSIONS height 885-945mm with supplied telescopic legs
790mm net height without legs (can be placed on a plinth)
width 596mm
depth 595mm

SUPPLIED four black plastic telescopic legs 90mm min, 160mm max
clip-on stainless steel kickplate supplied for optional fitment

FUNCTIONS

light only

classic
convection

static grill

fan grill

baker's
function

fan
forced

NB: *omega ceramic cooktops are highly-efficient cooking surfaces. they are at their most efficient with flat-based cooking vessels. We recommend stainless steel exterior based vessels – that is, the surface of the vessel making contact with the ceramic surface be of stainless steel. This flat stainless steel surface will help preserve the unblemished surface and help avoid scratching and permanent marking. High-quality cast-iron based utensils are also suitable.*

cooktop

- 275cm² of uninterrupted ceramic surface
- infinitely-variable thermostat controls
- all cooking zones full heat 7 seconds
- four cooking zones plus two extension zones –
 - 1200 watt, 145mm diameter
 - 1800 watt, 180mm diameter
 - 1200 watt, 120mm diameter + concentric 1000 watt, 210mm diameter, total 2200 watts
 - 1400 watt, 170mm diameter + 800 watt 95mm extension, total oval 265mm length, 2200 watt total
- heat-weighted ribbon elements for even heat sharing
- ceramic floor and perimeter walls for each element zone
 - maximum heat projection up to surface
 - maximum electricity efficiency
 - minimum heat loss to radiant transference
- four residual safety indicators – glow at and above 30°C
- ceramic surface suitable for utensils with stainless steel, certain cast-iron, pyrex exterior base construction
- easy clean, low porosity ceramic surfaces

oven

- 74.02 litre gross capacity
- 64.60 litre net cooking capacity
- thermostatic control 0–260° Celsius
- five cooking functions + defrost (no thermostat selection)
- digital LED minute minder, manual override
- rapid heating efficiency – 140°C 4 minutes, 180°C 6 minutes, 200°C 7 minutes, 250°C 11 minutes, 260°C 11 min 50 sec
- new continuous mould (single press, seamless) side walls – eliminates side racks enabling larger capacity, easier access and cleaning
- fully furnished – two baking/grill trays, one grill insert, one full-width chrome shelf, one full-width teflon tray
- four shelf-height cooking positions. The floor (fifth position) can also stand a cooking utensil when using fan forced and the two grill modes)
- safety-notched non-tip shelves and trays
- safety insulated cool operating external surfaces
- independent carcass cooling fan
- double-glazed door with forced-air flow-through cooling
- thermo-reflective inner door pane
- thermal overload protection
- stainless steel clip-on kickplate supplied for optional fitment to telescopic legs.
NB legs are removable

options

rectangular cast-iron griddle plate, code 9379
